PRINTECH ASIA 2018

CONVERTING • PACKAGE PRINTING • LABELLING

Printech Asia 2018 is a project created by **CPA SPA**, which is a company specialized in organizing B2B events and exhibitions, in joint-venture with the International organization **UBM Allworld**: a new event dedicated to the world of technologies for **CONVERTING, PACKAGE PRINTING and LABELLING**.

Printech Asia 2018 opens a privileged showcase in packaging fairs, setting up an area dedicated to converting and printing in traditional filling and dosing technologies exhibitions. An area that offers clear benefits to all packaging community stakeholders, from the suppliers to the brand owner.

Printech Asia 2018 will take place from **13th to 16th June at Bangkok International Trade Exhibition Centre (BITEC), Thailand**, together with ProPak Asia 26th edition: 26 years of a great show that is now Asia's Number One international trade event for Food, Drink & Pharmaceutical Processing & Packaging Technology.

Printech Asia 2018 and ProPak Asia 2018 truly are the **"Must-Attend"** industry event in Thailand for Asia, as quality and variety of products increase and expand, and productivity of operations and manufacturing standards are driven higher by consumer demands and new automation and technological advances, which will be presented at the show.
